WHITE RIVER HEALTH DISTRICT BOARD POSITION VACANCIES

The White River Health District has 2 openings on its 5-member Board of Directors. The person in each on these Board positions will complete the remainder of the 4-year terms of the departing Board members, which end June 30, 2023. Applications can be obtained from the Deschutes Rim Health Clinic website (<https://www.deschutesrimclinic.org>) and submitted to the clinic via mail or in person.

Recruitment for a Board team member will continue until November 13, 2020 or until the Board positions are filled.

White River Health District Board Member Roles and Responsibilities:

Board members are responsible for conducting the affairs of the District in compliance with Oregon Revised Statutes. The Board of Directors has the legislative authority and power to establish policies and procedures that are in the best interest of the District and to approve the annual budget.

The Board of Directors for the White River Health District / Deschutes Rim Health Clinic also serves as the Board for the Deschutes Rim Clinic Foundation, a charitable non-profit corporation established to receive funds for the building of a new medical clinic in Maupin.

Board members work together as a team and are responsible for ensuring team cohesiveness and effectiveness in carrying out the overall goals and objectives of the District.
